Our expenses were \$138: Kansas registration fees, PayPal fees, postage and office supplies.

The Power of the Dollar

Your donations today make a difference in our dogs' health tomorrow.

The money raised by GREYlong is donated to Morris Animal Foundation (MAF).

We are supporting a study that is searching for a genetic marker that will help better target canine cancer treatments (D07CA-034: MicroRNA Expression Profiling of Canine Osteosarcoma, Dr. W.C. Kisseberth, Ohio State University).
